

Estwing

It's Back!

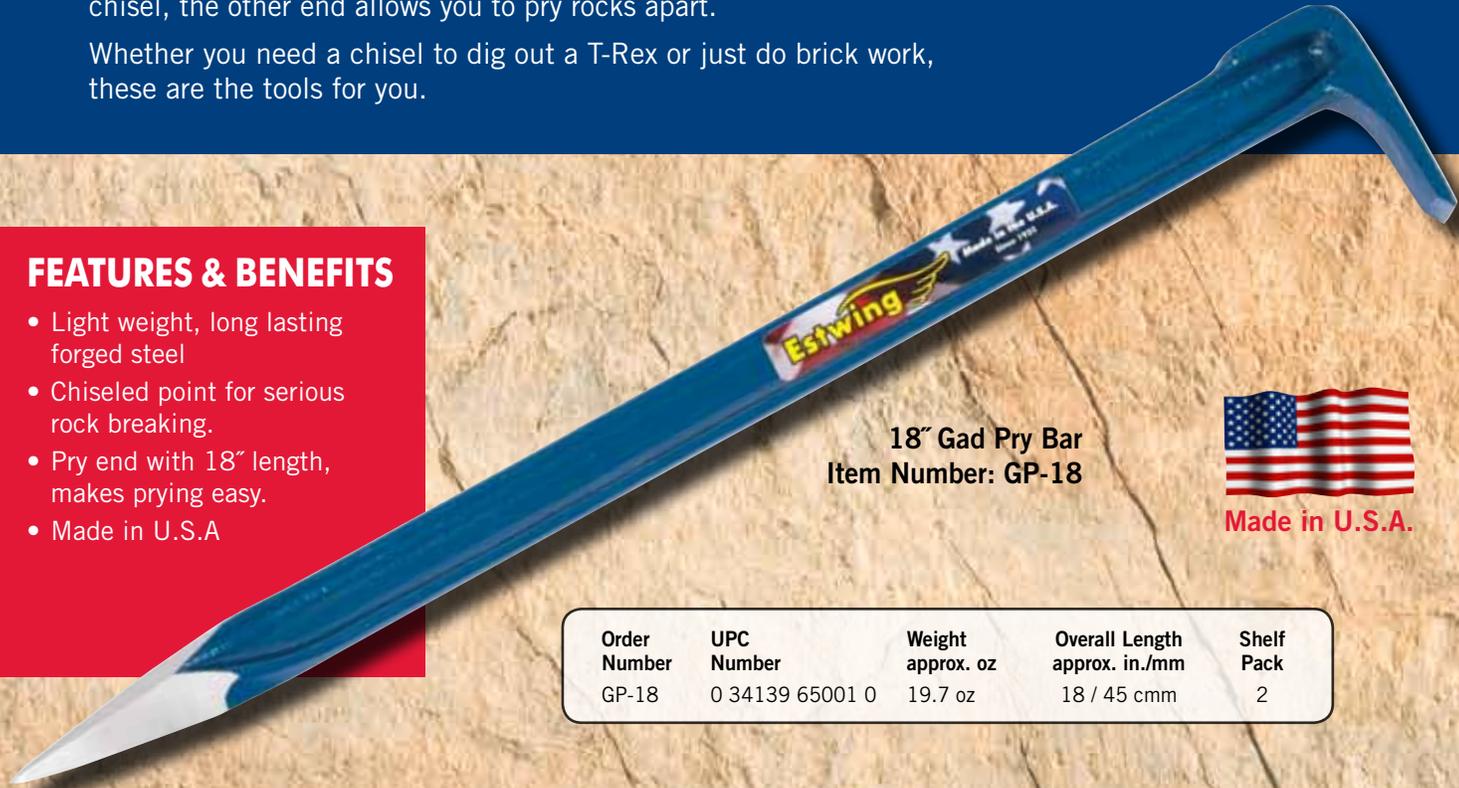

Estwing Re-introduces The Gad Pry Bar

Estwing's new Gad Pry Bar is designed for the serious rock hunter. Break rock, chip rock or pry rocks apart with this tool designed for heavy duty jobs. The pointed tip can be used as a chisel, the other end allows you to pry rocks apart.

Whether you need a chisel to dig out a T-Rex or just do brick work, these are the tools for you.

FEATURES & BENEFITS

- Light weight, long lasting forged steel
- Chiseled point for serious rock breaking.
- Pry end with 18" length, makes prying easy.
- Made in U.S.A
